

JOB DESCRIPTION MENTAL HEALTH LICENSED THERAPIST

DESCRIPTION:	HopeNet is a faith based nonprofit organization transforming lives through coaching and counseling. For over 25 years HopeNet has provided mental health services on a sliding scale made possible by donor support. Building on our expertise in mental health, HopeNet has exponentially expanded to impact our community. HopeNet mental health therapists provide counseling for emotional healing regulated by the Behavioral Science Regulatory Board of the state of Kansas.
POSITION GOAL:	Therapists clinically evaluate and provide therapeutic services to clients and their families in accordance with agency vision and mission utilizing clinical modalities designed to get to the root cause of dysfunctional cyclical behavior, provide opportunity for emotional healing and incorporate effective coping strategies for lifelong wellness.
QUALIFICATIONS:	Masters in Social Work, Marriage & Family Therapy or Professional Counselor licensed by the BSRB in the state of Kansas. Proof of professional liability insurance. Strong organizational and computer skills are required. Certification in EMDR or Somatic Experience preferred. Able to work in multi-disciplinary team environment.
EXPERIENCE:	Experience with at risk clientele, utilizing a variety of therapeutic tools and techniques and faith application in crisis situation. Training in Bridges Out of Poverty a plus.
TERMS:	Part to Full time (18-30 hours) exempt
REPORTS TO:	Counseling Program Supervisor
