

HopeNet is Seeking Church Volunteers!

Do you desire a safe and practical way to come alongside people in our community as they break free from generational poverty? HopeNet is offering the **Getting Ahead Workshop** for a limited group of people and needs volunteers from area churches who want to bridge the gap between those in poverty and the church. This workshop gives participants the tools they need to Get Ahead out of poverty. We need meal providers, hostesses and childcare volunteers to make this workshop a success.

What is Getting Ahead?

Getting Ahead in a Just Getting' By World: Building Your Resources for a Better Life is an innovative initiative program that builds community and personal responsibility for individuals living in poverty. Getting Ahead helps people stop the "Tyranny of the Moment" long enough for participant to learn options and HOPE for a different life. The workshop will meet on Monday nights starting **August 20 to December 10, 2018.**

Volunteer Positions

- Meal Team - Deliver a meal for 25 people on Monday evenings for a month on or before 5:00 PM
- Hostess Team - Set up and clean up after each meal from 5-6:00 PM, interacting and building relationships with participants
- Childcare Team - Supervise and teach age-appropriate curriculum to the participants' children from 5-8:15 PM
- Prayer Team - Commit to prayer for the Getting Ahead participants

How to Get Involved

Your presence will make a difference!

To get involved, please complete this form and email to info@hopenetwichita.org or mail to: HopeNet, Inc. 2501 E. Central Wichita, KS 67214
